

*We are a
community
of faith who...*

*Centres
on God*

By regularly connecting with other Christians for prayer and discipleship.

Through corporate prayer and worship events.

Evidenced by Spirit-led grassroots activities established and empowered.

Through families and individuals regularly engaging in Scripture reading and prayer at home.

By intentionally discipling our children.

*Lives the
Gospel*

By walking with and supporting those who are marginalised locally and globally.

By intentionally focusing all ministries on Kingdom values.

Through effective overseas and local missions support.

By engaging intentionally within our local schools.

By being intentional about sharing the Good News of Jesus with neighbours, workmates, family and friends.

*Welcomes
Everybody*

Where people from all cultures feel a greater sense of belonging.

Through open and vibrant Small Group communities.

By intentionally caring for each other.

Evidenced by individuals and families articulating who they are connected to and caring for.

*Grows
Disciples*

Through intentional coaching and mentoring.

By regularly celebrating people living out their calling.

Through a shared passion to see people come to know and grow in Christ.

Through relationship based programs and ministries.

Evidenced by individuals knowing their personal call and walking in it.

As evidenced by couples and families built to last.

Ordinary people **transformed** by Jesus
boldly living **God's purpose** in our **world**
